

Candy Topped Jimmie Cones

Ice Cream | Dessert | All year round

Yields: 18 cones

INGREDIENTS

For Cones:

- 18 ice cream cones, cake or waffle
- 2 cups peanut butter swirl ice cream
- 2 cups caramel swirl ice cream
- 2 cups toasted almond ice cream
- 1 cup Butterfinger[®], chopped into 1/4" pieces
- 1 cup Baby Ruth[®], chopped into 1/4" pieces
- 1 cup CRUNCH[®] pieces
- 1/4 cup peanut butter sauce, RTU
- 1/4 cup caramel sauce, RTU
- 1/4 cup chocolate sauce, RTU

Method:

Scoop 1 cup of each ice cream and stuff into ice cream cone. Roll the cone in the Butterfinger[®], Baby Ruth[®] and Crunch Bar[®] pieces covering all the ice cream. Drizzle the peanut butter, caramel and chocolate sauces over the top of the cones and serve. (Alternatively, for a plated dessert, place the ice cream ball covered in candy

on a frozen plate. Sauce the plate in a decorative pattern with a “Sauceable” (see Ferrero sauceable recipe). Take the ice cream cone and press into the ice cream ball so it sticks out at a 45° angle).
