

Caramel Swirl Ice Cream made with Baby Ruth®

Ice Cream | Dessert | All year round

Yields: 1 Pint

INGREDIENTS

- 1 ½ cups Baby Ruth® Pieces for mix in

For Ice Cream:

- 1 pint caramel ice cream
- 1 cup caramel sauce

Method:

Set 1 pint of caramel ice cream out on the counter to soften. Place a bowl into the freezer for 1 hour to chill. In a small bowl, combine the Baby Ruth® with the caramel sauce. Place the soft ice cream into the frozen bowl and swirl in the caramel/Baby Ruth® mixture. Quickly return the ice cream to the original pint container and place in freezer to harden. Scoop ice cream into the cone of your choice and serve
